SPIRIT FLAME

Leap high, O Spirit Flame, illuminate
Us with the brilliance of thy light.
Let every flaming tongue enkindle in
Our minds the lamp of knowledge,
And in our hearts make manifest
Thy guiding light of understanding truth.
The torch of service must be held
As beacon to the multitudes
Who call on thee to lead.
And those who beg to see thee stumble
'Midst the fire of competition
Must never more than beggars be
For all the trust reposed in thee
Must never be dishonored.
Extinguish not the softly glowing candle,
Radiant with enchanting loveliness,
Part of all thy dancing, whirling,
Leaping brilliant light, illuminating night.
Thou fiery spirit, Spirit Flame, leap high
And burn as bright forever
In the school we love and honor,
Thou the Spirit Flame of Dreher.

ALMA MATER

All hail to thee, our Alma Mater,
Here's a song in praise;
We'll bear thy banner gladly,
And thy name we'll proudly raise;
We'll honor thee and love thee,
As faithful sons always:
So here's to Dreher, our Alma Mater
Hail to thee always.

DEDICATION

Mr. James Murphy Wilson

Dear Mr. Wilson,
In appreciation for your endless
efforts on behalf of the entire faculty
and student body, for your tireless co-
operation in our endeavors, and for your
personification of the true Spirit of
Dreher: we dedicate to you, Mr. Wilson,
our 1956 Blue Devil.

FACULTY

"THE GUIDING LIGHT OF UNDERSTANDING TRUTH . . ."

ADMINISTRATION

Dreher High School is offering to each student a well-balanced program of studies and activities designed to meet his individual needs. The success of the program may be measured by the extent to which Dreher students avail themselves of the fine opportunities offered them.

Guy E. Uarn

Superintendent.

Activities have long been one of the important functions of schools. Your annual not only records the things you wish to remember but it also serves as a learning process for those who participate in the work.

The student governing body of Dreher High School is the Student Council. Each homeroom has one representative to voice its opinions and vote on school business. In addition to the homeroom representatives there is a president and vice-president, both of which are elected from the Senior Class by the entire Student Body; a secretary who is elected from the council representatives; and a treasurer; who is appointed from the Senior Class by the president.

Student Council gives the students a hand in their own governing, thus broadening and increasing their knowledge of democratic government. This enables them to become better and stronger citizens of America.

Dreher . . . host to the twenty-first annual convention of the Southern Association of Student Councils, November 10-12 . . . 800 students and teachers from fourteen southern states.

Remember the weeks of preparation? Sally and her Housing Committee, "Where can we put these four Texans?" . . . Tuggie's Registration Committee, "Can you make out the name on this blank? I think it must be Chinese!" . . . everyone helping in some way . . . "General" Dave guiding all the committees . . . "Moneybags" Sue keeping track of correspondence and finances.

Then it was Wednesday, and they were here . . . hustle to the mixer that night . . . drawls and twangs mingling with conversation and laughter.

Remember the presentation of the state flags at Thursday morning's assembly and the strange thrill that reached everyone there . . . the banquet and dance . . . Carl Sandburg with his wonderful comments, songs, and poems . . . bright dresses swishing as delegates dance . . . "Now this is the step we do in Louisiana."

SASC CONVENTION

Registration

Opening Session

Remember . . . the SASC Convention

Can we forget the hustle and bustle of Friday . . . students hurrying to discussion groups and problem clinics . . . ideas, comments, suggestions, and perhaps some solutions . . . bus loads of shouting Southerners off on a guided tour of Columbia . . . a crisp, cold night and barbecued chicken at Lake Murray . . . back to town for the special movie . . . sleepy delegates . . . "I think I remember where I'm staying!"

Saturday morning . . . Elections! . . . Next year, off to Tulsa, Oklahoma for the convention! . . . "Do you mean it's time to go already?" . . . new friends leaving all too soon . . .

The last suitcase, the final good-bye, and they were gone. But we remember. We remember their laughter and enthusiasm and we feel the growing spirit that has sprung up among us because of their coming. And we hope they remember, too.

"Something different" has been the password for your annual staff this year. The white cover, the red, the semi-modern design are the results of this dream and we hope they will combine to convey the spirit of Dreher and to make the 1956 BLUE DEVIL the most distinctive in its history.

PRINT

Every other Friday, as lockers bang at the close of the day, student subscribers find their "Blue Prints" waiting. Features, polls, news events, social happenings, all are a part of each issue.

Before a paper appears, the Press Box fairly hums with activity. "Pray tell, how do I go about getting 'Humperdinkele' into a one column headline?" "Let's see now. If I move this story to the next column and switch the pictures . . ." "That assignment was for 200 words, not 160." "How about jumping out of the window. I really could use a good news story." "You mean it's five o'clock already?"

All this—the work of the business staff in tracking down ads, the experience, the good times, the long hours of work—results in the "Blue Print", "The Pattern of Life at Dreher."

The National Honor Society of Dreher recognizes those students who have excelled in scholarship, leadership, character, and service. In order to be considered for membership in the Society, a student must be in his junior or senior year and have been at Dreher for at least one year.

The organization serves the school in many ways. Among these are supplying receptionists

for the entrance hall and keeping flowers on this desk, handling the sale of senior rings, providing marshals for assemblies and other public school gatherings, and planning and sponsoring the senior trip. This year the National Honor Society added another to its long list of services by compiling and selling a student directory.

ART

The Art Department of Dreher, under the direction of Miss Moselle Skinner, has increased its activities and has grown from 29 to 150 pupils during the past decade. Expansion of facilities especially in the ceramics field, has made this greater interest and participation possible. The art students do many things besides learning to draw, such as designing programs and Dreher's Literary Yearbook, and beautifying the entrances with displays of sculpture.

The Art Council is an organization which carries on many projects not actually related to creative work in art. It has played a large part in making Dreher "art conscious" as a school. Many beautiful paintings have been purchased through the efforts of Council; several of these were secured through funds made during the annual Christmas Bazaar, a Council-sponsored project. For several years it has offered a \$50.00 purchase prize for the painting judged best in an annual display sponsored by the State Artist's Guild.

SPEECH

The Dramatic Club is a student interest group that meets once each week at Activities Period. Programs are arranged so as to cover all phases of the dramatics field. For public performance this year, the club presented, under the expert guidance of Mrs. Woodruff and Miss Kaminer, a one-act Christmas play entitled "Dust of the Road" for an assembly program and a three act comedy, "Time Out for Ginger", as its contribution to the Fine Arts Festival.

The National Forensic League has greatly expanded its activities during the past year. Under the capable direction of Miss Joyce Gayden and Mrs. Maude Simpson, the League has attended Congresses in North Carolina and South Carolina and sent debate teams to the district and state contests. The National Forensic League has made great strides in accomplishing its purpose of developing the speaking ability of young people.

With almost no experience the Blue Devils, under the leadership of Coaches "Red" Myers and Arlie Whittinghill, developed a squad which became known throughout the state as one of the most spirited teams ever produced by Dreher. The hustle and determination of the squad made up for their lack of size and experience.

Dreher placed one player in the Shrine bowl, several on All-State teams, four on the All-City Team and a host of players in the North-South game between Charleston and Columbia. Our own "Red" Myers was selected as head coach for the North team.

With the close of the season on Thanksgiving Day the totals revealed four victories, two ties, and five losses. The squad of 1955 will always be remembered as a team which molded the spirit of Dreher into something admired and respected on the grid-irons of South Carolina.

"We're number one" was the cheer that echoed over the hardwood of the U. S. C. field house as Dreher's talented Blue Devils walked off with Class AA honors and first place in South Carolina basketball. It was the semi-final game with Spartanburg that really clinched the state title, however, and showed the spirit and fast determined play which characterized the Devils on the court. The final record of twenty-one wins and four losses does not tell the full story of the team and the school spirit which followed it throughout the season.

TRACK

The 1955 Dreher track team proved to be the best in the school's history. Under the direction of Coach Myers, the team went undefeated in state competition; took second place at the Duke-Durham Relays; and proved its superiority by setting five new records in winning the state meet.

Louis Drake, Bill Latham, and Joe Smith, outclassed the previous records in the half-mile, mile, and shot-put, respectively. Bury Hudson took first place in the low hurdles and tied the high hurdle record. Walt Hudson won both the 100 and 220 yard dashes. Dreher's two relay teams ran away from their competition with the mile team setting a new record.

Under the direction of Mrs. Ralph Moore and Miss Lynn Rentz, the Girls' Athletic Association has had a varied and enjoyable program this year. Good sportsmanship, as well as team and individual competition, is encouraged and developed by the many activities of the girls' athletic program, and each girl is urged to participate in such sports as volleyball, basketball, bowling, tennis, golf, archery, softball, and modern dancing.

Some of the outstanding events during the year included a demonstration for the State Teachers' Convention, a modern dance concert to raise funds for the girls' athletic program, and the sponsoring of the annual "Volleyball Playday."

Mr. Bobby Avinger
Editor, The Blue Devil
Dreher High School
Columbia, South Carolina

Dear Bobby:

Thank you for the honor of having me judge "Miss Blue Devil". I have selected Miss Grace Linton as your Queen, and if she matches up to her photograph, she is indeed both devilish and charming.

The four young ladies selected from each class are:

- Senior -- Miss Sandra Ussery
- Junior -- Miss Mary Alva Roof
- Sophomore -- Miss Peg Pearce
- Freshman -- Miss Salley Felton

When the opportunity offers, please give them our great compliments and do not neglect to include the other young ladies as well. The task of selecting one above the other is well nigh insurmountable and I wish they all could bear the title. However, this was a most outstanding group and the pleasantest way I can think of to start a New Year.

Sincerely,

Frederic A. Birmingham
